

# Sweetheart Snow Sculpting

Join us on Sunday, February 14, 2010 for a day of outdoor fun. Bring the whole family. Enjoy a day of fun in the sun and snow by building the best snow sculpture. Since there is only 2 hours to make your sculpture, this is a great activity for families, church groups or any other organization.

There will be \$50 in DC Bucks given to the winner in each of the following categories:

- \*Most Unique Sculpture\*
- \*Best Traditional Sculpture\*
- \*Best Arctic Sculpture\*

Snow sculpting will be from 1-3 pm at Mound Park. Hot chocolate and cookies will be available for all. The snow sculptures will be judged at 3 pm.
