**PUBLIC HEARING** Mayor Kidd opened a public hearing June 12, 2018 at 7:00 pm as advertised for the purpose of hearing comments on an amendment to Zoning Code to permit beekeeping in certain Zoning Districts. He asked for oral comments, Matt Ostanik, Planning and Zoning president, spoke to the procedure they followed and the Commission's recommendation to the council to allow beekeeping in certain zoning districts. He asked for written comments, there were none. Mayor Kidd declared the hearing closed at 7:02 pm.

The Dallas Center City Council met in regular session June 12, 2018 at 7:03 pm. Mayor Kidd called the meeting to order and led the pledge of allegiance. Council members present included David Bagby, Ryan Coon, Ryan Kluss and Curtis Pion. Danny Beyer was not present.

The agenda was amended to insert Abby Anderson as the person being appointed to Planning and Zoning (item 4e) item 4f was moved out of the consent agenda and item 4i was removed from the agenda as the amount was not correct. Motion by Kluss, 2<sup>nd</sup> by Pion to approve the amended agenda. Motion passed 4-0.

Motion by Coon, 2<sup>nd</sup> by Pion to approve the consent agenda [approve minutes of May 8 regular meeting and May 23 special meeting; May Treasurer's Report; May Fire/Rescue, Law Enforcement, Compliance and Water Reports; approve cigarette license for Casey's General Store; approve appointment of Abby Anderson to Plan and Zoning Commission to complete Chuck Comito's unexpired term, term expires October 1, 2021; approve hiring Sarah Worrell as a volunteer on the fire department; sidewalk reimbursement 507 Hatton - \$32.00; approve 1<sup>st</sup> year lifeguard at \$8.00/hr Nathan Gardikis pending lifeguard certification and background check; approve invoices for payment (review committee Kluss and Beyer) as Beyer was absent, Bagby reviewed invoices with Kluss. Motion passed 4-0.

Motion by Bagby, 2<sup>nd</sup> by Coon to approve pay increases effective June 18<sup>th</sup> for payroll dated July 4, 2018: Cindy Riesselman \$29.39/hr, Kathy Steele \$20.02/hr, April Scrivner \$14.25/hr, Brian Slaughter \$36.29/hr, Brett Kaszinski \$23.23/hr, Joel Hofland \$20.60/hr, Rochelle Cory \$18.95/hr, Wendy Collins \$11.69/hr, Tina Cantrell \$13.78 /hr, Ann Beavers \$10.40/hr; Kristin Holcomb \$11.10/hr. Motion passed 4-0.

Motion by Pion, 2<sup>nd</sup> by Kluss to approve Resolution 2018-22 – approving revised Site Plan for First Presbyterian Church. Roll call all ayes, motion passed.

Motion by Kluss, 2<sup>nd</sup> by Coon to approve Ordinance No. 521 – amending Chapter 165 of the Code of Ordinances by adding provisions allowing beekeeping in certain Zoning Districts, first reading. Roll call all ayes, motion passed.

Motion by Pion,  $2^{nd}$  by Kluss to waive the  $2^{nd}$  and  $3^{rd}$  readings of Ordinance No. 521, making it effective upon publication. Roll call all ayes, motion passed.

Public Communications and Concerns – Mayor Kidd informed the attendees that if they have questions when an item on the agenda is being discussed, they are to raise their hand and wait to be acknowledged by the presiding officer and to not interrupt a speaker. Robert Haxton and Julie Becker each expressed concerns they had. Mary Werch with the Park and Recreation Board asked if recreation trail members needed to be residents of the city and Attorney Brown advised her they did.

Council has been made aware that the Fall Festival Committee is not able to take the lead for the Sesquicentennial Celebration in 2019. The City will seek volunteers to lead this event.

Slaughter gave the public works report. Motion by Kluss, 2<sup>nd</sup> by Bagby to approve Maple Street maintenance increase of \$41,850.00. Motion passed 4-0.

Motion by Pion, 2<sup>nd</sup> by Kluss to approve fire department purchase of seven radios in an amount not to exceed \$22,000.00. Motion passed 4-0.

Veenstra let council know that they are working with the contractor to get the final punch list items completed and the Southwest Stormwater Improvements Phase 1 Project finished.

Motion by Bagby, 2<sup>nd</sup> by Kluss to approve Partial Payment Estimate No. 15 (including partial early retainage release request) – Progressive Structures, LLC - \$ 25,000. Motion passed 4-0.

Engineer Veenstra is working to size the tank and will send a letter to the DNR updating them on the status of the Water Treatment Plant project.

Council discussed whether or not to pursue the Gross-Wynn treatment option at the Wastewater Treatment Plant, it was decided to continue with the SAGR system process planning.

Veenstra will evaluate connecting the Raccoon River Valley Trail to 8th Street.

Council discussed the Lyn Crest Estates plat 3 costs, engineer will re-evaluate the costs and communicate with the city.

Motion by Kluss, 2<sup>nd</sup> by Pion to approve Resolution 2018-23 – authorizing City Clerk to transfer remaining funds from the emergency fund to the general fund once the remainder of the funds are received from the County for FY18. Roll call all ayes, motion passed.

Motion by Pion, 2<sup>nd</sup> by Coon to permit local businesses to have booths or displays on city property on June 16<sup>th</sup> in conjunction with the BACooN Ride. Motion passed 4-0.

Motion by Pion, 2<sup>nd</sup> by Kluss to approve payment of final invoices for FY2018 pending review by the June review committee – Kluss and Beyer. Motion passed 4-0.

Council reports - Coon has been researching and talking to website companies, the council will need to determine what they want the website to entail. Pion let the council know that new technology is now available that will link the Polk and Dallas County radio systems.

Mayor Kidd made everyone aware there will be a meeting with residents of Cross Country Estates and Country Living Estates on June 20<sup>th</sup> at 6:00 pm at Memorial Hall.

Meeting adjourned at 8:30 pm.

# Cindy Riesselman, City Clerk

The Dallas Center City Council met in special session June 20, 2018 at 6:00 pm. Mayor Kidd called the meeting to order. Council members present included David Bagby, Danny Beyer, Ryan Coon. Ryan Kluss and Curtis Pion were not present.

Motion by Beyer, 2<sup>nd</sup> by Bagby to approve the agenda, motion passed 3-0.

Motion by Beyer, 2<sup>nd</sup> by Coon to approve Greg Cagle's reappointment to the Tree Board, term expires June 30, 2021. Motion passed 3-0.

Council held a discussion with the residents of Cross Country Estates and Country Living Estates. Attorney Brown gave a history of the development and discussed the City's role under the platting documents, the developer's role in the developments and information on the homeowner's associations.

Council members stated they are supportive of the homeowners in their concerns about the condition of the streets and council members are willing to work with the City engineer to determine a standard that would be acceptable in order for the city to take over the ownership and maintenance of the streets (if the developer is willing to get the streets to the standard, and turn them over to the city).

Due to the fact that the streets within the two developments are private and are currently owned by the developer, it was discussed that the homeowners should get together and decide on an action plan to encourage and work with the developer to get the streets repaired and brought up to the potential new standard.

The meeting adjourned at 7:16 pm.

Cindy Riesselman, City Clerk

# **RESOLUTION NO. 2018-24**

A RESOLUTION APPROVING THE SITE PLAN FOR THE NEW SPURGEON MANOR ASSISTED LIVING FACILITY AT 1204 LINDEN STREET.

WHEREAS, Spurgeon Manor, Inc. has submitted a Site Plan pursuant to Chapter 158 of the Code of Ordinances of the City of Dallas Center, Iowa, as amended, for the construction of the new Assisted Living Facility at 1204 Linden Street, which plans were reviewed by the Plan and Zoning Commission on June 26, 2018; and

WHEREAS, the Commission recommended approval of the Site Plan subject to the comments and admonitions contained in the City Engineer's review letter dated June 30, 2018 (a copy of which is attached as Exhibit "A" and by this reference made a part hereof), specifically including the requirement of a fire hydrant on the east side of the building; and

WHEREAS, the Council has reviewed the recommendations of the Plan and Zoning Commission.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS CENTER, IOWA, that the Council accepts the recommendations of the Plan and Zoning Commission, subject to the comments and admonitions contained in the City Engineer's review letter dated June 30, 2018 (a copy of which is attached as Exhibit "A" and by this reference made a part hereof), specifically including the requirement of a fire hydrant on the east side of the building; and the Site Plan submitted by Spurgeon Manor, Inc. for the construction of the Assisted Living Facility at 1204 Linden Street is approved subject to those indicated requirements.

PASSED, APPROVED, AND ADOPTED by the City Council of the City of Dallas Center, Iowa, on this 10<sup>th</sup> day of July, 2018.

DALLAS CENTER, IOWA SPURGEON MANOR ASSISTED LIVING FACILITY SITE PLAN REVIEW

On June 19, 2018, the writer received the first submittal of the site plan for the Spurgeon Manor Assisted Living Facility. Enclosed is a copy of the site plan drawings. Included with the initial submittal was a drawing showing the exterior views of the building. This drawing labeled G003 is enclosed.

The writer received the initial submittal of the storm water management plan. A copy of the storm water management plan is enclosed.

Based on review of the site plan the following comments are offered:

- The sanitary sewer construction notes and the storm sewer construction notes on Drawing C001 indicate construction is to conform with SUDAS specifications. The City is agreeable for construction to be in accordance with SUDAS specifications. However, the City requires the edition of SUDAS to be designated on the site plan. These two notes should be modified to indicate construction is in accordance with the 2018 Edition of SUDAS.
- 2. The water line construction notes on Drawing C001 do not include a reference to SUDAS specifications. If construction of the new improvements is to be in accordance with the SUDAS specifications the water line construction note should indicate construction is in accordance with the 2018 Edition of SUDAS.
- 3. Access to the site includes two separate driveway approaches. One driveway approach extends south from Linden Street. The second driveway extends from the southeast corner of the existing internal streets within Spurgeon Manor.

- 4. The site plan indicates the north south driveway could be extended southerly at a future date to accommodate three more buildings.
- 5. The site plan shows a driveway connection to the southern part of the existing east parking lot.
- 6. The site plan includes a semi-circular drive on the west side of the building, including a covered over canopy area.
- 7. The site plan indicates based on the occupancy of the building a total of 18 parking stalls would be required. The site plan shows a total of 25 parking stalls located along the semi-circular access drive.
- 8. ADA requires one handicap parking stall. The site plan shows two handicap parking stalls.
- 9. The site plan indicates all of the driveway and parking area will be 6-inch PCC, except for the driveway stub to the dumpster that is shown as 7-inch PCC.
- 10. The site plan indicates for all of the PCC pavement the PCC pavement is to be constructed on a 4-inch granular subbase.
- 11. The City does not regulate the thickness of private driveways and parking areas.
- 12. It is noted the thicker pavement in the area of the dumpster is to withstand the turning movements of garbage trucks. Given the configuration of the semi-circular driveway the writer would suggest there may be additional areas within the north part of the driveway where turning movements for garbage trucks may be problematic for 6-inch PCC pavement. This comment is only offered as a suggestion and the City will not require any changes in the pavement thickness.
- 13. The site plan shows a sidewalk along the easterly side of the semi-circular drive/parking area.
- 14. The site plan shows a sidewalk around the perimeter of the building, including a connection to the trail and connection to each of the exit doors.
- 15. The final review of the perimeter sidewalk as an egress sidewalk will rest with the building inspector. However, the preliminary review indicates the sidewalk provides an escape route that is code compliant.
- 16. The site plan on Drawing C102 shows the driveway extending east from the east end of Linden Street as a 25-foot wide drive. With the driveway then turning to the south.

- 17. The City Council previously indicated it would be in agreement with allowing the driveway to extend directly east from Linden Street provided there was a means of addressing snow removal. The tee shaped geometrics would appear to address this concern,
- 18. The 25-foot wide driveway extension aligns with the existing Linden Street. There is a widened parking area of the south side of Linden Street extending to the east end of the existing asphalt pavement. The parking area is easily distinguishable from the asphalt street and the alignment of the driveway extension appears satisfactory.
- 19. As a private driveway extending east in the Linden Street right-of-way the 6-inch PCC pavement on 4-inch of granular subbase would be satisfactory.
- 20. Given the configuration of the driveway in relationship to Linden Street and the existing parking area there may be some snow pushed to the east end of Linden Street that could require snow removal by Spurgeon Manor as part of its snow removal.
- 21. The site plan shows a PCC trickle channel for drainage extending east from the driveway about 40 feet south of Linden Street.
- 22. The site grading would indicate the outlet from the "trickle channel" in the north part of the driveway extends east to a small swale that continues southeasterly in the easterly part of the Spurgeon Manor property just west of the northeasterly property line.
- 23. The driveway slopes range from 0.50% to about 2%. The City does not have a standard for driveway slopes. The writer would note the driveway slopes would be consistent with the standards if this were reviewed as a public street.
- 24. The grading plan generally shows the new building to be on an elevated area with the ground sloping away in all directions.
- 25. The proposed first floor of the building is Elevation 1056. The low area on the grading is generally about 3 feet lower north of the building and 5 to 6 feet lower in the southern part of the building.

- 26. The site plan indicates the sanitary sewer service will be provided by a 6-inch private service line located in the north south driveway from the northerly of the proposed building on the west side of the drive southerly to about the south point of the semi-circular drive. The sewer service then continues westerly and southerly. The 6-inch sewer service is shown turning westerly onto the Presbyterian Church property and connecting to an 8-inch sewer by others.
- 27. The site plan shows a separate 4-inch grease line and 1,250 gallon grease interceptor.
- 28. It is the writer's understanding Spurgeon Manor and the Presbyterian Church have, or will reach, an agreement whereby the sewer being constructed along the southerly side of the Presbyterian Church will serve as the sewer outlet for Spurgeon Manor.
- 29. This approach of a combined sewer is satisfactory provided the portion of the sewer that serves more than one user is designed to public sewer standards and is conveyed to the City as a public sewer. As part of the Presbyterian Church project it would appear a portion of that sewer will need to be designed to public sewer standards and conveyed to the City as a public sewer.
- 30. The site plan indicates water service will be provided by a 10-inch water main. The north end of the water main connects to the existing City water main on the north side of Linden Street. The 10-inch water service extends east and then south along the west side of the proposed north south driveway.
- 31. The site plan shows a 10-inch water service along the north side of the east west driveway extending westerly to connect to the existing water main located at the northwest corner of the internal driveway within Spurgeon Manor.
- 32. The connections to the existing Dallas Center water main will need to be a tapping sleeve and valve connection or arrangements will need to be made with the City for a cut in connection. Given the size of the mains on which the connections will be made the tapping sleeve and valve connection would be preferred.
- 33. Regardless of the method of connection a valve will be required on the 10-inch water service at the connection to the public water main.
- 34. The site plan shows a 6-inch primary water service to the new building.

- 35. The site plan does not show any valves on the 10-inch water service near the 6-inch water service to the building. Without valves any break in the 10-inch water loop would result in the loss of water service to the new building. It is suggested, but the City will not require, valves on the 10-inch water main on either side of the 6-inch water service. The addition of two valves should allow continued water service to the building by isolating a break either north or south of the water service.
- 36. The site plan shows one new fire hydrant located on the east side of the north south driveway near the north end of the semi-circular drive.
- 37. The site plan shows a new fire hydrant on the west side of the north south drive just south of its terminus point. This hydrant is at the south end of the north south 10-inch water service.
- 38. The two fire hydrants would appear to provide adequate fire protection to the westerly side of the building.
- 39. In previous reviews of the concept for the assisted living facility the City indicated the size and location of the building would require fire protection on the east side of the building. The City previously indicated a fire hydrant would be required on the easterly side of the building. The City agreed it would not require a fire vehicle access drive to the east side of the building. The City would use the existing trail as fire vehicle access to the east side of the building. While the City agreed to not require fire vehicle access to the east side of the building the requirement for a fire hydrant on the east side of the building is necessary to provide adequate fire protection.
- 40. The site plan shows stormwater drainage will be through a 36-inch storm sewer that connects to the City's southwest storm sewer. The primary storm sewer continues north along the east side of the north south drive extended and north along the north side of the east west drive.
- 41. Branches of the storm sewer extend west to serve the east west drive and around the north and northeast side of the building to provide drainage to the east courtyard area and northeast courtyard area.
- 42. The site plan indicates all of the roof drains will connect to the storm sewer system.

Based on review of the site plan the major issue to address is the lack of a fire hydrant on the east side of the building. There are several other minor issues on the site plan, none of which require significant modifications.

Cindy Riesselman June 20, 2018 Page 6

The architectural Plan Drawing G003 shows a 3D perspective view, a southwest view and a northwest view. The City previously indicated it was in agreement with an architectural theme that would be consistent with the existing Spurgeon Manor buildings.

Based on review of the storm water drainage report the following comments are offered:

- 1. The storm water drainage report indicates the stormwater drainage from the site will discharge directly to the City's storm sewer.
- 2. The storm water management report indicates there will be no onsite stormwater detention. The City previously indicated to Spurgeon Manor a preference for a direct discharge to the City's stormwater detention basin. The direct discharge effectively means the City is providing stormwater detention as part of its overall Southwest Stormwater Drainage Improvements project.

Given the location of Surgeon Manor it is preferable for its stormwater to discharge directly as the stormwater discharge peak will occur before the peak flow from the southwestern part of the City. Detaining the stormwater on site would reduce the peak discharge from Spurgeon Manor, but would extend the period of the peak discharge and would probably increase the overall peak flow by delaying a part of the Spurgeon Manor peak flow until a time that coincides with the projected peak flow from the balance of the stormwater drainage system.

- 3. The storm water management plan indicates the internal storm sewer system is designed for piping with a 10 year storm event.
- 4. The storm water management report indicates the intake capacity was designed for a 10 year and 100 year storm event.
- 5. Under a 10 year storm sewer event none of the storm sewers flow full and no storm sewers are surcharged.
- 6. The hydraulic analysis of the 100 year storm event indicates that there will be surcharging above the pipe crown at several locations and in select areas the hydraulic grade line may be above the ground surface resulting in surface water runoff.
- 7. One of the points of potential surface water runoff is at the southerly end of the 36-inch storm sewer just north of the connection to the City's storm sewer. Surface flooding in this area may cause a nuisance, but should cause no property damage.

- 8. The second area where there appears to be surcharge above the top of the pipe in a 100 year event is at Intake 1-7. This intake is located in a catchment area just northeast of the building. Although the stormwater report shows there will be ponding in this catchment area the hydraulic grade line appears to remain below Elevation 1055 providing adequate freeboard against the potential for building flooding.
- 9. A review of the storm sewer and intake design indicates it is considered satisfactory.

If you have any questions or comments concerning the project, please contact the writer at 225-8000.

# **RESOLUTION NO. 2018-25**

# A RESOLUTION APPROVING THE ARCHITECTURAL PLAN FOR THE SPURGEON MANOR ASSISTED LIVING FACILITY AT 1204 LINDEN STREET

WHEREAS, Spurgeon Manor, Inc. has submitted an Architectural Plan pursuant to Chapter 158 of the Code of Ordinances of the City of Dallas Center, Iowa, as amended, for the Assisted Living Facility at 1204 Linden Street, which plans were reviewed by the Plan and Zoning Commission on June 26, 2018; and

WHEREAS, Section 158.08 of the Code of Ordinances requires that the primary exterior material shall consist of a combination of brick, architectural concrete panels, textured concrete block, architectural metal or stone panels, and that the primary exterior building material, less glass, shall constitute at least 75% if each façade area to which the standards apply; and

WHEREAS, the proposed exterior materials consist of stone veneer, cement fiber siding, and cement board trim at windows, corners, and material transitions, all of which are acceptable exterior materials; and

WHEREAS, required primary exterior materials do not, however, constitute at least 75% of each façade; and

WHEREAS, the Plan and Zoning Commission has recommended that the Council, pursuant to Section 158.08(5) of the Code of Ordinances, approve the proposed exterior materials as additional primary materials for the reasons that such materials and trim exhibit the structural strength and permanency desired, contain sufficient architectural relief, and do not detract from the desired aesthetic character of the building and surrounding area.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DALLAS CENTER, IOWA, that the Architectural Plan submitted by Spurgeon Manor, Inc. for the construction of the Assisted Living Facility at 1204 Linden Street utilizing stone veneer, cement fiber siding, and cement board trim at windows, corners, and material transitions as the primary material is approved.

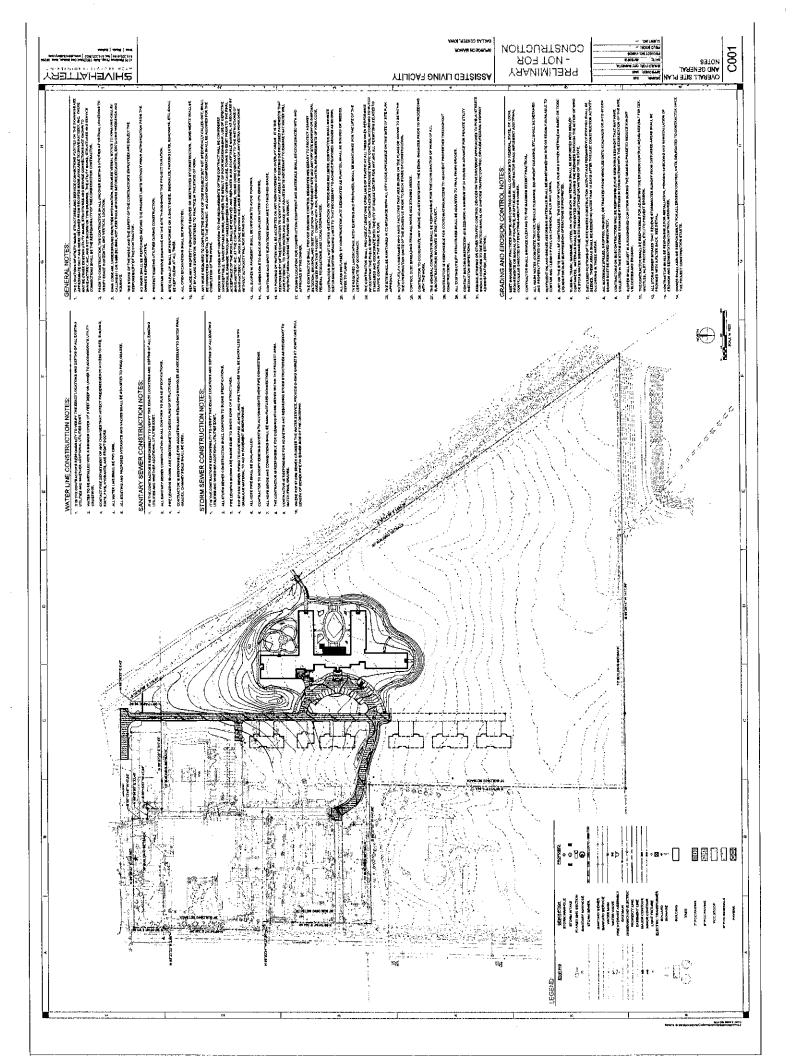

IT IS FURTHER RESOLVED, pursuant to Section 158.08(5) of the Code of Ordinances, that the indicated primary materials are, on a case-by-case basis, hereby approved by the Council for the reason that such materials and trim exhibit the structural strength and permanency desired, contain sufficient architectural relief, and do not detract from the desired aesthetic character of the building and surrounding area.

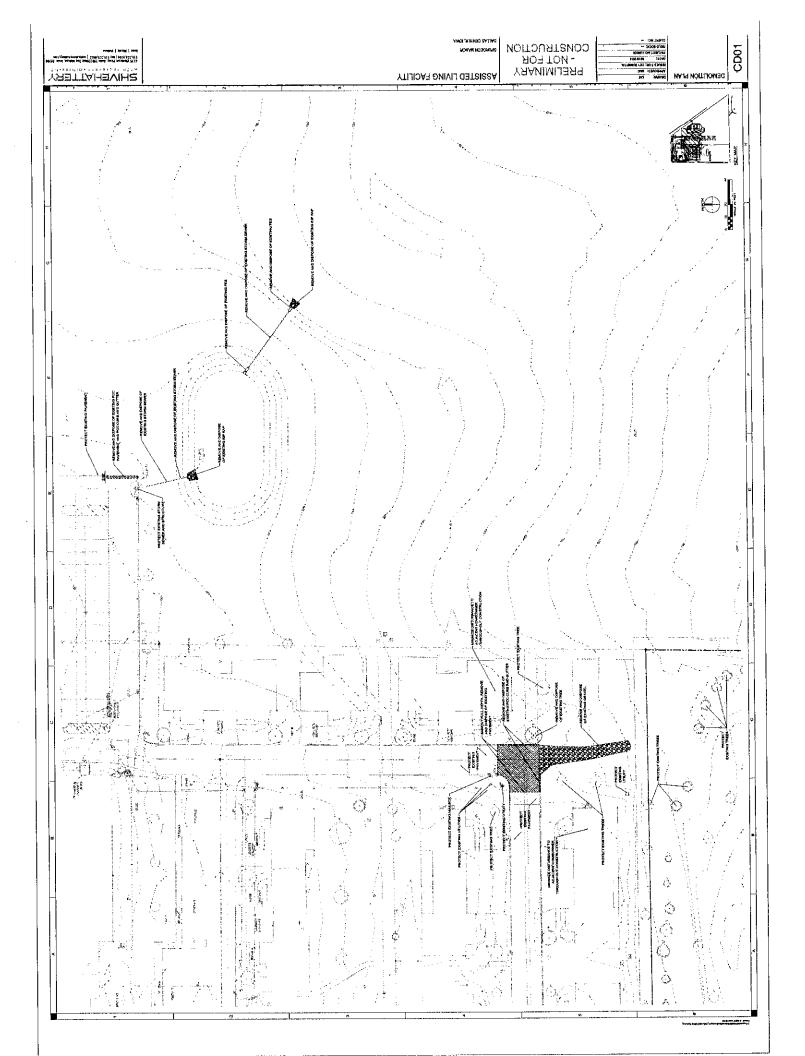

PASSED, APPROVED, AND ADOPTED by the City Council of the City of Dallas Center, Iowa, on this 10th day of July, 2018.

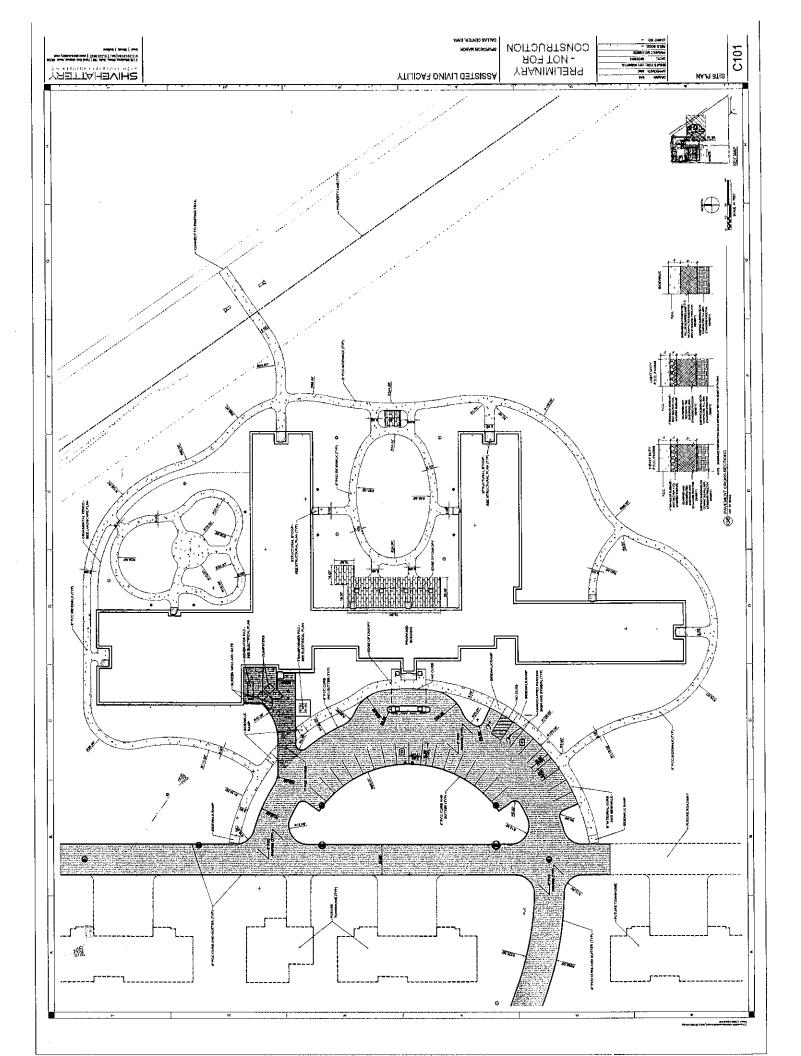

Michael	Α.	Kidd,	Mayor

# City of Dallas Center Special Use Permit

Section 165.40 of the Code of Ordinances of the City of Dallas Center, Iowa, as amended, states that certain uses possess characteristics of such unique and special form as to make impractical their being included automatically in any classes of use as set forth in the various Districts established by the City's Zoning Code. Such uses shall be subject to certain conditions and standards set forth in Section 165.40 of the Code of Ordinances, and the authority for the location thereof shall be subject to review by the Plan and Zoning Commission and the issuance of a special use permit by the City of Dallas Center, provided however, a special use permit may not be granted for a use in a District from which it is specifically excluded by the provisions of the Zoning Code.

Effective Dates: August 8, 2018, through August 7, 2023

(Five-Year Renewal)

Issued to: Dan and Mary Ellen Oberender

507 Hatton Avenue

Dallas Center, Iowa 50063

Zoning District: R-1

Legal Description:

Lots One (1), Two (2), Three (3), Four (4), Five (5) and Six (6), except the North Fifty-one (51) feet thereof, in Block Forty (40) of the Original Town, now City, of Dallas Center, Dallas County, Iowa.

By Order of the City Council of the City of Dallas Center, Iowa, a Special Use Permit is issued for the following purposes, and under the following terms and conditions:

The personal residence of Dan and Mary Ellen Oberender, situated upon the above-described parcel of real estate, which originally was constructed and utilized as a church, may be utilized by the owners for religious events of a nature customarily held or conducted within an established church structure. Such uses may be for a fee, which will generate income to the owners.

Specifically, the residence may be utilized as a wedding chapel (for marriage ceremonies and renewal of vows), and other religious and celebratory functions, such as: prayer meetings, Bible study groups, vigils, funerals, baptisms, wedding receptions, special holiday services, and anniversary, birthday, and reunion celebrations.

Seating of guests in the owners' residence will be restricted to the original sanctuary and overflow area. Occupancy may not exceed any regulations or directions of the State Fire Marshall. Any report of the State Fire Marshall shall be filed with the City Clerk. The original pastor's study, the nursery addition, and the space above the overflow area also may be utilized for the special use allowed herein, but not for the seating of guests.

Food must be catered in, as the preparation of food on the premises will not be permitted. No alcohol or beer may be served to or consumed by any guests under this special use.

The residence may be utilized for the special use granted herein on Monday through Saturday from 10 o'clock a.m. to 10 o'clock p.m.; and on Sunday from 8 o'clock a.m. to 10 o'clock p.m. Decorating, set-up, and clean-up may occur outside these hours.

Excessive noise will not be permitted. Nearby streets may not be blocked by parked vehicles. Indoor and outdoor lighting for the property will be restricted to that which is customary for residential lighting, and as may be required by any building and electrical codes, etc.

All special uses of the residence must be supervised by the owners, or by agents of the owners. The owners must explain the limited uses allowed under this special use permit to each party requesting the use of the residence. Those parties using the residence must understand that their use shall be without disruption to the surrounding neighborhood.

This special use permit is granted only to Dan and Mary Ellen Oberender. Upon the transfer of the real estate involved from either or both of them, this special use permit shall automatically terminate.

The Plan and Zoning Commission shall, prior to August 8, 2023, review the five-year renewal and the implementation of this Special Use Permit, and make such recommendations to the City Council as it deems appropriate with respect to any modifications, further review, or termination as it deems appropriate.

Additionally, the City Council shall retain review of the special uses allowed herein, and reserves the right from time to time, as may be required, to amend or modify the terms and provisions of the permit, upon recommendation of the Plan and Zoning Commission. The City Council may revoke this special use permit if it determines that the terms and provisions have not been complied with.

Approved this 10th day of July, 2018.

Michael A. Kidd, Mayor

### ANIMAL SHELTER SERVICES AGREEMENT

This Agreement is made and entered into as of the 10<sup>th</sup> day of 50<sup>th</sup>, 2018, by and between the City of Dallas Center ("City") and the Animal Rescue League of Iowa, Inc. (the "ARL"), an Iowa nonprofit corporation.

<u>Purpose</u>. Under this Agreement, the ARL will provide animal shelter and impoundment services to the City, including impoundments which the City may be required to provide pursuant to certain of its ordinances, ordinances of municipalities with which the City contracts, or state law.

ARL will provide: The ARL shall provide shelter services to all dogs and cats delivered to its shelter location by the City, including bite dogs and cats. Other animals including bite animals will be sheltered and/or quarantined if the ARL has proper accommodations and is properly licensed for that species. Unless claimed by the owner, the ARL will make non-bite animals not otherwise designated for euthanasia available for adoption when appropriate, and the ARL will humanely euthanize unclaimed, non-adopted animals in accordance with the ARL's publicly available policies. Unless instructed otherwise by the City in writing, the ARL shall comply with all applicable impoundment period requirements of the City Code or ordinances, and with similar provisions of any other applicable ordinance, or State law or regulation. Unless the ARL is otherwise instructed by the City, non-bite animals bearing a license tag or other identification reasonably enabling determination of ownership shall be retained for seven days prior to adoption or euthanasia and animals whose ownership cannot be reasonably established shall be retained for seven days. Quarantine animals shall be released or euthanized only as directed by the City. The ARL will be responsible for collection of all boarding fees from reclaimed animals by their owners, including quarantined animals.

<u>Compensation</u>. In consideration for the acceptance and services provided by the ARL, to each live animal delivered to the ARL by the City; the City will pay the ARL as follows:

Animals reclaimed by their owners will not be charged to the City.

Boarding fees

\$35 within first 24 hours

\$15 each additional 24 hour period

There shall be no charge for unweaned offspring of an animal delivered at the same time as the mother.

\$125.00

\$170.00

An apparent set of littermates, unaccompanied by the mother and over six (6) weeks of age, received together, shall be regarded as a single animal.

Ten day bite case quarantine

**Records Access**. The ARL shall keep and make available to the City such intake information of strays from the City. Such records shall be retained as required by the ARL under their document retention policies.

Licenses and Compliance. The ARL shall apply for, and maintain, all necessary or applicable licenses, certifications and inspections relevant to current health, fire, safety, and professional standards. Any deficiencies or violations must be corrected immediately or immediate action taken to seek variances. The ARL shall comply with all other applicable state, federal and local laws, ordinances, rules and regulations and shall not deny, restrict access to, or provide inferior services to any person, or deny or restrict employment opportunities, including promotional opportunities, to any applicant or current employee, on the basis of sex, age, race, national origin, religion, sexual orientation or physical or mental disability.

## **Indemnification and Insurance**

The ARL shall acquire and retain throughout the term of this Agreement suitable and sufficient insurance, and fidelity bonding, so as to protect it, its entire staff including contract employees, its clients, the City and the general public against any loss, injury, damage, or other liability arising from any wrongful or negligent act or omission in connection with responsibilities assumed by the ARL under the terms of this Agreement.

<u>Term and Termination</u> .	This Agreement shall be effective	, 2018 to June 30, 2023 for animals	
delivered during the term	of this Agreement, and any extensions the	hereto, but may be earlier terminated for a	ny
reason and at any time by	either party upon at least sixty (60) days	s prior written notice. Such notice, or any	
other notice required or pe	ermitted to be given hereunder, shall be a	addressed, if to the ARL, to the Chief	
Executive Officer, Anima	l Rescue League of Iowa, Inc., 5452 N.E	E. 22 <sup>nd</sup> Street, Des Moines, Iowa 50313, or	ii
to the City to:			

or to such other address as either party shall have	ve notified the other party of, in writing. Notice shall be
deemed given when deposited with the U.S. Po	stal Service, registered or certified, addressed as specified.
Administration. This Agreement shall be adm	ninistered on behalf of the City by
This Agreement shall be administered on behal	f of the ARL, and services provided for hereunder shall be
controlled and supervised, by Tom Colvin, Chi	ef Executive Officer of the ARL.
IN WITNESS WHEREOF, this Agreement has	been executed to be effective as set forth above.

# **2018 LEGISLATIVE SUMMARY**

Enclosed is the 2018 edition of the summary of bills passed by the Iowa General Assembly that could potentially affect city codes. These pieces of legislation may result in sections of your code being inconsistent with certain State laws. The impact of these changes may differ depending on the language in your city code. Therefore, please review your code carefully to determine which amendments you may need.

As a service to our clients we are offering you an opportunity to purchase the following legislative changes which include a draft ordinance specific to your Code and the related supplementation of that ordinance once adopted. The fees for these amendments are as listed on the order form.

If you wish to prepare your own amending ordinances, we would be happy to codify them for you after their adoption at the standard supplement rates.

This is also a good time to ensure that all your most current ordinances are supplemented into your code. If you have any ordinances which have not yet been sent to us for supplementation you may send them to us at this time. By regularly sending in ordinances as they are adopted, your city code can be amended to reflect the changes made by the ordinances and provide all readers with the most current language. These ordinances will be codified at the current supplement rates.

If you wish to order legislative changes at this time please complete the attached order form and return it to us by email at <u>info@sc-ic.com</u> or by mail to P.O. Box 244, Storm Lake, Iowa 50588. If you have any ordinances you would like supplemented at this time, please feel free to email those to us at info@sc-ic.com.

This summary is not intended to be an inclusive list of all legislative changes that could have an impact on your city; rather, it is a summary of legislative changes that affect a majority of our clients' codes.

If you have any questions, feel free to contact Steve at (641) 355-4074 or at steve@sc-ic.com

## 2018 LEGISLATIVE CHANGES AFFECTING CITY CODES

FIF 2196 — Relating to Texting or Using a Mobile Telephone While Operating a Commercial Vehicle. Chapter 321 of the *Code of Iowa* has been amended by adding a new section prohibiting texting or using a mobile telephone while operating a commercial vehicle.

HF 2457 — Relating to Statutory Corrections. Section 453A.47A of the Code of Iowa has been amended to provide that a city shall submit a duplicate of any application for a retail cigarette permit to the Alcoholic Beverages Division of the Department of Commerce within 30 days of issuance of a permit.

SF 2310 — Relating to Alcoholic Beverage Control. Chapter 123 of the Code of Iowa has been amended to make technical changes to terminology pertaining to alcoholic beverages.

#### FOR YOUR INFORMATION ONLY:

The following information is provided for reference only. Some cities may have ordinances or language in their Codes that is impacted by these legislative changes and as such cities should review these new laws against their existing code to determine if any changes are needed.

HF 2286 — Prohibiting Cities from Imposing Time-of-Sale Requirements on Transactions Involving Real Property — A city shall not adopt an ordinance, motion, resolution, or amendment, or use any other means, that restricts an owner of real property from refinancing existing debt on, selling, or otherwise transferring title to the property by requiring the owner to take or show compliance with any action with respect to the property or pay any fee before, during, or after refinancing existing debt on, selling, or transferring title to the property.
