

You can make a difference.

CLEAN & BEAUTIFUL 2023

OUR TOWN is an initiative to keep Dallas Center **CLEAN & BEAUTIFUL**...a place we can be proud of today and tomorrow. As a community, neighbor helping neighbor, we can make a difference in **OUR TOWN**.

OUR TOWN counts on volunteers like yourself to step up and make a difference. Whether it is your own home, your neighbor's home, or a resident's home across town, let's ALL get cleaning to make Dallas Center shine.

From garbage to junk cars and everything in between, proper disposal is key. You can check our city ordinances at www.dallascenter.com for specific guidelines. An easy way to think about it is this...if you are not using it, it doesn't belong. Keep in mind yard waste is included in the OUR TOWN effort, so let's clear out that brush pile. Yard waste pick up is offered every Monday throughout the summer.

Please help make a difference in OUR TOWN.

Anyone is welcome to join the OUR TOWN effort. Call today and get signed up to help keep OUR TOWN clean.

**Call City Hall at 992-3725
to be an OUR TOWN volunteer.**

**Dallas
Center**
Iowa

OUR TOWN has partnered with Metro Hazardous Waste Dropoff to provide the opportunity to properly dispose of **HOUSEHOLD HAZARDOUS WASTES**
