

**Dallas Center Parks and Recreation Board
Public Forum
09/18/2018**

Meeting was opened at 7pm by Bob King

A public forum was held on 09/18/18 to provide information on the proposed master plan for our city's current parks and recreational spaces as well as addressing potential future needs. The discussion was led by representatives from the Iowa State University Community Design Lab who at the request of the board developed the plan. The public provided feedback at the meeting as it relates to priorities as proposed within the plan and some additional considerations for options within the current plan as proposed.

Meeting adjourned at 8:30

Respectfully,

Ken Matteson

Parks and Recreation Board Secretary
