September 26, 2018– 9:00 AM – Dallas Center, Mound Park, beside the Tennis Court

In attendance: Amy Jarnagin, Robert King, , Dan Oberender, and Mary Werch

Absent: Kathy Pantzar, Ken Matteson, Mark Mernone

Guests: Brian Slaughter and Tom Pike from Grimes Asphalt

1. The meeting was called to order at 9:00 by Mary Werch. Bob King acted as temporary secretary.
2. The group reviewed their options for continuing to prepare the old tennis court for replacement, or to convert it to a basketball court using the exposed concrete. The decision was made to remove the concrete and complete the tennis court. The underlying concrete needed to be removed so that the new tennis court would not crack and develop holes where the asphalt base changed from concrete to gravel as the old court had done. Since no changes were being made in current plans, no action was needed and no motions were made.
3. Meeting adjourned at 9:20.
