

AGENDA
Dallas Center City Council
August 26, 2020 –6:00 pm

On August 21, 2020, Iowa Governor Kim Reynolds issued an updated Proclamation of Disaster Emergency, which among other matters, encouraged all vulnerable Iowans to limit their activities outside of their home including their participation in gatherings of any size and any purpose. The Governor's Proclamation allows a community gathering (such as a public meeting) of more than ten persons so long as social distancing of at least six feet is maintained and increased hygiene practices are undertaken. The Governor further continued the suspension of state laws requiring a public meeting or hearing to the extent the laws could be interpreted to prevent a governmental body from limiting the number of people present for an in-person location of the meeting, providing the governmental body provides a means for the public to participate by telephone or electronically. Compliance with the social distancing requirements for a public meeting would unduly limit the public's participation at a City Council meeting. As permitted by Iowa Code Section 21.8 the City Council meeting beginning at 6:45 p.m. will be conducted by electronic means. The public is encouraged to access the meeting electronically in the manner specified below.

The meeting will be conducted by Zoom at the following Internet link or telephone numbers:

WHEREAS, the ISSUER has issued, or is currently in the process of issuing, pursuant to an ordinance, resolution, order, final terms certificate, notice of sale or other authorizing instrument of the governing body of the ISSUER, hereinafter collectively called the "Bond Document" certain bonds, certificates, notes and/or other debt instruments, more particularly described as \$870,000 General Obligation Refunding Capital Loan Notes, Series 2020, dated September 24, 2020 hereinafter called the "Bonds"; and

WHEREAS, pursuant to the Bond Document, the ISSUER has designated and appointed the AGENT as agent to perform registrar, transfer and paying agent services, to wit: establishing and maintaining a record of the owners of the Bonds, effecting the transfer of ownership of the Bonds in an orderly and efficient manner, making payments of principal and interest when due pursuant to the terms and conditions of the Bonds, and for other related purposes; and

WHEREAS, the AGENT has represented that it possesses the necessary qualifications and maintains the necessary facilities to properly perform the required services as such registrar, transfer and paying agent and is willing to serve in such capacities for the ISSUER;

NOW THEREFORE, in consideration of mutual promises and covenants herein contained the parties agree as follows:

1. The ISSUER has designated and appointed the AGENT as registrar, transfer and paying agent of the Bonds pursuant to the Bond Document, and the AGENT has accepted such appointment and agrees to provide the services set forth therein and herein.
2. The ISSUER agrees to deliver or cause to be delivered to the AGENT a transcript of the proceedings related to the Bonds to contain the following documents:
 - (a) A copy of the Bond Document, and the consent or approval of any other governmental or regulatory authority, required by law to approve or authorize the issuance of the Bonds;
 - (b) A written opinion by an attorney or by a firm of attorneys with a nationally recognized standing in the field of municipal bond financing, and any supporting or supplemental opinions, to the effect that the Bonds and the Bond Document have been duly authorized and issued by, are legally binding upon and are enforceable against the ISSUER;
 - (c) A closing certificate of the ISSUER, a closing certificate and/or receipt of the purchaser(s) of the Bonds, and such other documents related to the issuance of the Bonds as the Agent reasonably deems necessary or appropriate; and

(d) Unless Paragraph 20 hereof is applicable and if requested in writing by AGENT, in addition to the transcript of proceedings a reasonable supply of blank Bond certificates bearing the manual or facsimile signatures of officials of the ISSUER authorized to sign certificates and, if required by the Bond Document, impressed with the ISSUER's seal or facsimile thereof, to enable the AGENT to provide Bond Certificates to the holders of the Bonds upon original issuance or the transfer thereof.

The foregoing documents may be subject to the review and approval of legal counsel for the AGENT. Furthermore, the ISSUER shall provide to the AGENT prompt written notification of any future amendment or change in respect of any of the foregoing, together with such documentation as the AGENT reasonably deems necessary or appropriate.

3. Unless Paragraph 20 hereof is applicable, Bond certificates provided by the ISSUER shall be printed in a manner to minimize the possibility of counterfeiting. This requirement shall be deemed satisfied by use of a certificate format meeting the standard developed by the American National Standards Committee or in such other format as the AGENT may accept by its authentication thereof. The AGENT shall have no responsibility for the form or contents of any such certificates. The ISSUER shall, while any of the Bonds are outstanding, provide a reasonable supply of additional blank certificates at any time upon request of the AGENT. All such certificates shall satisfy the requirements set forth in Paragraphs 2(d) and 3.

4. 5. Transfers of ownership of the Bonds shall be made by the AGENT as set forth in the Bond Document. Absent specific guidelines in the Bond Document, transfers of ownership of the Bonds shall be made by the AGENT only upon delivery to the AGENT of a properly endorsed Bond or of a Bond accompanied by a properly endorsed transfer instrument, accompanied by such documents as the AGENT may deem necessary to evidence the authority of the person making the transfer, and satisfactory evidence of compliance with all applicable laws relating to the collection of taxes. The AGENT reserves the right to refuse to transfer any Bond until it is satisfied that each necessary endorsement is genuine and effective, and for that purpose it may require guarantees of signatures in accordance with applicable rules of the Securities and Exchange Commission and the standards and procedures of the AGENT, together with such other assurances as the AGENT shall deem necessary or appropriate. The AGENT shall incur no liability for delays in registering transfers as a result of inquiries into adverse claims or for the refusal in good faith to make transfers which it, in its judgment, deems improper or unauthorized. Upon presentation and surrender of any duly registered Bond and satisfaction of the transferability requirements, the AGENT shall (a) cancel the surrendered Bond; (b) register a new Bond(s) as directed in the same aggregate principal amount and

7. Ownership of, payment of the principal amount of, redemption premium, if any, and interest due on the Bonds, delivery of notices, and for all other purposes shall be subject to the provisions of the Bond Document. The AGENT shall have no responsibility to determine the beneficial owners of any Bonds and shall owe no duties to any such beneficial owners. Upon written request and reasonable notice from the ISSUER, the AGENT will mail, at the ISSUER's expense, notices or other communications from the ISSUER to the holders of the Bonds as recorded in the registry maintained by the AGENT.

8. Unless the Bond Document provides otherwise, the ISSUER shall, without notice from or demand of the AGENT, provide to the AGENT funds that are immediately available at least one business day prior to the relevant interest and/or principal payment date, sufficient to pay on each interest payment date and each principal payment date, all interest and principal then payable under the terms and provisions of the Bond Document and the Bonds. The AGENT shall have no responsibility to make any such payments to the extent ISSUER has not provided sufficient immediately available funds to AGENT on the relevant payment date. In the event that an interest and/or principal payment date shall be a date that is not a business day, payment may be made on the next succeeding business day and no interest shall accrue. The term "business day" shall include all days except Saturdays, Sundays and legal holidays recognized by the Federal Reserve Bank of Kansas City, Missouri.

9. Unless otherwise provided in the Bond Document and subject to the provisions of Paragraph 12 hereof, to the extent that the ISSUER has made sufficient funds available to it, the AGENT will pay to the record owners of the Bonds as of any record date (as specified in the Bond certificate or Bond Document) the interest due thereon as of the related interest payment date or any redemption date and, will pay upon presentation and surrender of such Bond at maturity or earlier date of redemption to the owner of any Bond, the principal or redemption amount of such Bond.

10. The AGENT may make a charge against any Bond owner sufficient for the reimbursement of any governmental tax or other charge legally required to be withheld for any reason, including, but not limited to, failure of such owner to provide a correct taxpayer identification number to the AGENT. Such charge may be deducted from an interest or principal payment due to such owner.

11. Unless payment of interest, principal, and redemption premium, if any, is made by electronic transfer all payments will be made by check or draft and mailed to the address of the owner as reflected on the registry of owners, or to such other address as directed in writing by the owner.

12. Subject to the provisions of the Bond Document, the AGENT may pay at maturity or redemption or issue new certificates to replace certificates represented to the AGENT to have

been lost, destroyed, stolen or otherwise wrongfully taken, but may first may require the Bond owner to pay a replacement fee, to furnish an affidavit of loss, and/or furnish either an indemnity bond or other indemnification satisfactory to the AGENT indemnifying the ISSUER and the AGENT.

13. The AGENT shall comply with the provisions, if any, of the Bond Document and the rules of the Securities and Exchange Commission pertaining to the cancellation and retention of Bond certificates and the periodic certification to the ISSUER of the cancellation of such Bond certificates. In the event that the ISSUER requests in writing that the AGENT forward to the ISSUER the cancelled Bond certificates, the ISSUER agrees to comply with the foregoing described rules. The AGENT shall have no duty to retain any documents or records pertaining to this Agreement, the Bond Document or the Bonds any longer than eleven years after final maturity of the Bonds, unless otherwise required by the rules of the Securities and Exchange Commission or other applicable law.

14. The records maintained by AGENT in connection with the Bonds shall remain confidential records entitled to protection and confidentiality pursuant to Section 22.7(17), Code of Iowa. AGENT agrees that its use of the records will be limited to the purposes of this Agreement and that AGENT will make no private use or permit any private access thereto without the prior written consent of the ISSUER, which shall not be unreasonably withheld.

15. The AGENT is authorized to act on the order, directions or instructions of such officials as the governing body of ISSUER as the ISSUER by resolution or other proper action shall designate. The AGENT shall be protected in acting upon any paper or document believed by it to be genuine and to have been signed by the proper official(s), and the ISSUER shall promptly notify AGENT in writing of any change in the identity or authority of officials authorized to sign Bond certificates, written instructions or requests. If not so provided in the Bond Document, if any official whose manual or facsimile signature appears on blank Bond certificates shall die, resign or be removed from office or authority before the authentication of such certificates by the Agent, the AGENT may nevertheless issue such certificates until specifically directed to the contrary in writing by the ISSUER.

16. The AGENT shall provide notice(s) to the owners of the Bonds and such depositories, banks, brokers, rating agencies, information services, repositories, or publications as required by the terms of the Bond Document and to any other entities that request such notice(s) and, if so directed in such other manner and to such other parties as the ISSUER shall so direct in writing and at the expense of the ISSUER.

17. The ISSUER shall compensate the AGENT for the AGENT's ordinary services as paying agent and registrar, and shall reimburse the AGENT for all ordinary out-of-pocket expenses, charges, advances, counsel fees and other costs incurred in connection with the Bonds, the Bond Document and this Agreement as set forth in the Exhibit A or as otherwise agreed to by the ISSUER and AGENT in writing. In addition, should it become necessary for the AGENT to perform extraordinary services, the AGENT shall be entitled to extra compensation therefor and reimbursement for any out-of-pocket extraordinary costs and expenses, including, but not limited to, attorneys' fees. AGENT shall use commercially reasonable efforts to provide notice to the Issuer prior to performing extraordinary services or incurring such costs and expenses; provided,

however, that AGENT's right to compensation hereunder shall not be affected by any failure to provide such prior notice.

18. The AGENT may resign, or be removed by the ISSUER upon a date which, unless otherwise waived by the other party, is (a) at least thirty days after the receipt of written notice to the other and (b) in the case such notice is given by the AGENT, at least fifteen days prior to the next succeeding principal or interest payment date. Upon the effective date of resignation or removal, all obligations of the AGENT hereunder shall cease and terminate, but AGENT shall not be discharged from any liability for actions taken as AGENT under this Agreement prior to such resignation or removal. In the event of resignation or removal, the AGENT shall deliver the registry of owners and all related books and records in accordance with the written instructions of the ISSUER or any successor agent designated in writing by the ISSUER within a reasonable period following the effective date of its removal or resignation.

19. Whenever in the performance of its duties as Agent hereunder, the Bond Document or under the Bonds the AGENT shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, under the Bond Document or under the Bonds, the AGENT may consult with nationally recognized legal counsel in accordance with its internal policies and procedures, including, but not limited to, legal counsel for the ISSUER, with respect to any matter in connection with this Agreement and it shall not be liable for any action taken or omitted by it in good faith in reliance upon the advice or opinion of such counsel.

20. In the event that the Bond Document provides that the initial registered owner of all of the Bond certificates is or may be the Depository Trust Company, or any other securities depository or registered clearing agency qualified under the Securities and Exchange Act of 1934, as amended (a "Securities Depository"), none of the beneficial owners will receive certificates representing their respective interest in the Bonds. Except to the extent provided otherwise in the Bond Document, the following provisions shall apply:

- (a) The registry of owners maintained by the AGENT will reflect as owner of the Bonds only the Securities Depository or its nominee, until and unless the ISSUER authorizes the delivery of Bond certificates to the beneficial owners as described in subsection (d) below.
- (b) It is anticipated that during the term of the Bonds, the Securities Depository will make book-entry transfers among its participants and receive and transmit payments of principal and interest on the Bonds to the participants, unless and until the ISSUER authorizes the delivery of Bonds to the beneficial owners as described in subsection (d) below.
- (c) The ISSUER may at any time, in accordance with the Bond Document, select and appoint a successor Securities Depository and shall notify the Agent of such selection and appointment in writing.
- (d) If the ISSUER determines that the holding of the Bonds by the Securities Depository is no longer in the best interests of the beneficial owners of the Bonds, then

the AGENT, at the written instruction and expense of the ISSUER, shall notify the beneficial owners of the Bonds by first class mail of such determination and of the availability of certificates to owners requesting the same. The AGENT shall register in the names of and authenticate and deliver certificates representing their respective interests in the Bonds to the beneficial owners or their nominees, in principal amounts and maturities representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption. In such event, all references to the Securities Depository herein shall relate to the period of time when at least one Bond is registered in the name of the Securities Depository or its nominee. For the purposes of this paragraph, the AGENT may conclusively rely on information provided by the Securities Depository and its participants as to principal amounts held by and the names and mailing addresses of the beneficial owners of the Bonds, and shall not be responsible for any investigation to determine the beneficial owners. The cost of printing certificates for the Bonds and expenses of the AGENT shall be paid by the ISSUER.

21. The AGENT shall not be liable for any error in judgment in fulfilling its obligations under this Agreement or the Bond Document that is made in good faith by an officer or employee of the AGENT unless it shall be determined by a court of competent jurisdiction that the AGENT was negligent in ascertaining the pertinent facts or acted intentionally in bad faith. The AGENT shall not be under any obligation to prosecute or defend any action or suit in connection with its duties under the Bond Document or this Agreement or in respect of the Bonds, which, in its opinion, may involve it in expense or liability, unless satisfactory security and indemnity is furnished to the Agent (except as may result from the AGENT's own negligence or willful misconduct). The AGENT shall only be responsible for performing such duties as are set forth herein, required by the Bond Document, or otherwise agreed to in writing by the AGENT.

22. It is mutually understood and agreed that, unless otherwise provided in the Bonds or Bond Document, this Agreement shall be governed by the laws of the State of Iowa, both as to interpretation and performance.

23. The Bond Document and the terms thereof are hereby incorporated by reference and the provisions of this Agreement are to be construed to be consistent with the Bond Document. In the event of inconsistent language between the Bond Document and this Agreement, the terms of the Bond Document shall prevail.

24. AGENT shall comply at all times with such rules, regulations, and requirements as may govern the registration, transfer and payment of registered bonds including without limitation Chapters 76 and 384, and Section 554.8101 et seq. Code of Iowa and standards issued from time to time by the Municipal Securities Rulemaking Board of the United States and any other securities industry standard and the requirements of the Internal Revenue Code of 1986.

25. In the event any payment check representing payment of interest or principal on the Bonds is returned to the AGENT or is not presented for payment, or if any Bond is not presented for payment of principal or premium, if any, at the maturity or redemption date, if funds sufficient to pay such interest on Bonds shall have been made available to the AGENT for

the benefit of the owner thereof, all liability of the ISSUER to the owner thereof for such interest or payment of such Bonds shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the AGENT to hold such funds, without liability for interest thereon, for the benefit of the owner of such Bonds who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Agreement or on, or with respect to, such interest or Bonds. The AGENT'S obligation to hold such funds shall continue for a period equal to two years and six months following the date on which such interest or principal became due, whether at maturity, or at the date fixed for redemption thereof, or otherwise, at which time the AGENT, shall surrender any remaining funds so held to the ISSUER, whereupon any claim under this Agreement by the Bond owners of such interest or Bonds of whatever nature shall be made upon the ISSUER.

26. It is understood and agreed by the parties that if any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any applicable law, regulation or rule, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

27. This Agreement shall be binding upon the respective parties hereto and their heirs, executors, successors or assigns. Registrar shall maintain the books of the Issuer for the registration of ownership of the Notes for the payment of principal of and interest on the Notes as provided in this Resolution. All Notes shall be negotiable as provided in Article 8 of the Uniform Commercial Code and Section 384.31 of the Code of Iowa, subject to the provisions for registration and transfer contained in the Notes and in this Resolution.

b) Transfer. The ownership of any Note may be transferred only upon the Registration Books kept for the registration and transfer of Notes and only upon surrender thereof at the office of the Registrar together with an assignment duly executed by the holder or his duly authorized attorney in fact in such form as shall be satisfactory to the Registrar, along with the address and social security number or federal employer identification number of such transferee (or, if registration is to be made in the name of multiple individuals, of all such transferees). All such payments shall fully discharge the obligations of the Issuer in respect of such Notes to the extent of the payments so made. Upon receipt of the final payment of principal, the holder of the Note shall surrender the Note to the Paying Agent.

Section 10. Execution, Authentication and Delivery of the Notes. (d) The City may be subject, now or in the future, to certain continuing disclosure obligations imposed by S.E.C. Rule 15c2-12 (the "Rule"), as may be amended from time to time. To the extent the City determines the Rule or other applicable law requires disclosure of this agreement, the term sheet, or any other documents with regard to this transaction on the Municipal Securities Rulemaking Council's Electronic Municipal Market Access ("EMMA") system or elsewhere, Lender hereby acknowledges such documents as public records and consents to said disclosure.

(e) The Lender agrees that should it sell the Note to Institutional Investors, such sale will not be made and no transfer and registration will be completed until an Investment Letter in the form attached hereto as Exhibit "A" has been executed by such Institutional Investor and such letter is furnished to the Registrar and the Transfer Agent for the Notes and all conditions of the Investment Letter and this Agreement are satisfied.

7. The Lender and the City represent and agree that no financial advisory relationship as defined by Rule G-23 of the Municipal Securities Rulemaking Council has existed between them with respect to this Loan Agreement or presently exists between them with respect to other similar matters and that no employee of the Lender is an employee or official of the City.

The Issuer does not expect that the Proceeds of the Bonds will be used in a manner that would cause the interest on the Bonds to be includible in the gross income of the owners of the Bonds under the Code. (p) The Issuer will not use the Proceeds of the Bonds to exploit the difference between tax-exempt and taxable interest rates to obtain a material financial advantage.

(q) The Issuer has not issued more Bonds, issued the Bonds earlier, or allowed the Bonds to remain outstanding longer than is reasonably necessary to accomplish the governmental purposes of the Bonds and in fact, the Bonds will not remain outstanding longer than 120% of the economic useful life of the assets financed with the Proceeds of the Bonds.

(r) The Bonds will not be Hedge Bonds as described in Section 149(g)(3) of the Code because the Issuer reasonably expects that it will meet the Expenditure test set forth in Section 2.5(b) hereof and that 50% or more of the Proceeds will not be invested in Nonpurpose Investments having a substantially guaranteed yield for four or more years.

(s) The Issuer has not employed a device in connection with the issuance of the Bonds to obtain a material financial advantage (based on arbitrage) apart from savings attributable to lower interest rates. The Issuer will not realize any material financial advantage (based on arbitrage or otherwise) in connection with the issuance of the Bonds, or in connection with any transaction or series of transactions connected with the issuance of the Bonds, apart from savings attributable to lower interest rates.

Except for costs of issuance, all Sale Proceeds and investment earnings thereon will be expended for costs of the type that would be chargeable to capital accounts under the Code

pursuant to federal income tax principles if the Issuer were treated as a corporation subject to federal income taxation.

Section 2.2 Receipts and Expenditures of Sale Proceeds

Sale Proceeds received at Closing are expected to be deposited and expended as follows:

(a) \$-0- representing pre-issuance accrued interest will be deposited into the Bond Fund and will be used to pay a portion of the interest accruing on the Bonds on the first interest payment date; and

(b) \$19,710 representing costs of issuing the Bonds, plus a rounding amount of \$160.42 will be used within six months of the Closing Date to pay the costs of issuance of the Bonds; and

(c) \$850, 129.58 will be used together with earnings thereon to pay the principal, interest and redemption premium, if any, on the Refunded Bonds.

Section 2.3 Purpose of Bonds

The Issuer is issuing the Bonds to refund the Refunded Bonds prior to maturity in order to realize debt service savings due to lower interest rates payable on the Refunding Bonds.

Section 2.4 Facts Supporting Tax-Exemption Classification

Governmental Bonds

Private Business Use/Private Security or Payment Tests

The Bonds are considered to be governmental bonds, not subject to the provisions of the alternate minimum tax. The Proceeds will be used for the purposes described in Section 2.3 hereof. These bonds are not private activity bonds because no amount of Proceeds of the Refunded Bonds were used in a trade or business carried on by a non-governmental unit. Rather, the Proceeds will be used to finance the general government operations and facilities of the Issuer described in Section 2.3 hereof. None of the payment of principal or interest on the Bonds will be derived from, or secured by, money or property used in a trade or business of a non-governmental unit. In addition, none of the governmental operations or facilities of the Issuer being financed with the Proceeds of the Bonds are subject to any lease, management contract or other similar arrangement or to any arrangement for use other than as by the general public.

Private Loan Financing Test

No amount of Proceeds of the Refunded Bonds were used directly or indirectly to make or finance loans to persons other than governmental units.

Refunding of Governmental or Private Activity Exempt Facility Bonds (where Refunded Bonds must meet requirements)

The Issuer will use the Proceeds of the Bonds to refund the Refunded Bonds. The Issuer has complied with the covenants and restrictions with respect to arbitrage and investment requirements, yield restrictions, and post-closing restrictions on reissuance, reimbursement and change in use imposed by the Code and Regulations on the Refunded Bonds since the issue date of the Refunded Bonds so as to maintain the tax-exempt status of the interest on the Refunded Bonds. The Issuer will comply with all certifications set forth in Article VIII herein.

The Refunded Bonds were exempt from rebate requirements because they met the following exception(s):

- small issuer exception
- 6-month spending exception
- 18-month spending exception

Section 2.5 Facts Supporting Temporary Periods for Proceeds

(a) Time Test. Not later than six months after the Closing Date, the Issuer will incur a substantial binding obligation to a third party to expend at least 5% of the net Sale Proceeds of the Bonds.

(b) Expenditure Test. Not less than 85% of the net Sale Proceeds will be expended for Project costs, including the reimbursement of other funds expended to date, within a three-year temporary period from the Closing Date.

(c) Due Diligence Test. The Issuer has incurred a substantial binding obligation to accomplish the refunding. The refunding will proceed with due diligence to completion.

(d) Proceeds of the Bonds representing less than six months accrued interest on the Bonds will be spent within six months of this date to pay interest on the Bonds, and will be invested without restriction as to yield for a temporary period not in excess of six months.

Section 2.6 Resolution Funds at Restricted or Unrestricted Yield

(a) Proceeds of the Bonds will be held and accounted for in the manner provided in the Resolution. The Issuer has not and does not expect to create or establish any other bond fund, reserve fund, or similar fund or account for the Bonds. The Issuer has not and will not pledge any moneys or Taxable Obligations in order to pay debt service on the Bonds or restrict the use of such moneys or Taxable Obligations so as to give reasonable assurances of their availability for such purposes.

(b) Any monies which are invested beyond a temporary period are expected to constitute less than a major portion of the Bonds or to be restricted for investment at a yield not greater than one-eighth of one percent above the Bond Yield.

(c) The Issuer has established and will use the Bond Fund primarily to achieve a proper matching of revenues and debt service within each Bond Year and the Issuer will apply moneys deposited into the Bond Fund to pay the principal of and interest on the Bonds. Such Fund will be depleted at least once each Bond Year except for a reasonable carryover amount. The carryover amount will not exceed the greater of (1) one year's earnings on the Bond Fund or (2) one-twelfth of Annual Debt Service. The Issuer will spend moneys deposited from time to time into such fund within 13 months after the date of deposit. Revenues, intended to be used to pay debt service on the Bonds, will be deposited into the Bond Fund as set forth in the Resolution. The Issuer will spend interest earned on moneys in such fund not more than 12 months after receipt. Accordingly, the Issuer will treat the Bond Fund as a bona fide debt service fund as defined in Regulation 1.148-1(b).

Investment of amounts on deposit in the Bond Fund will not be subject to arbitrage rebate requirements as the Bonds meet the safe harbor set forth in Regulation 1.148-3(k), because the average annual debt service on the Bonds will not exceed \$2,500,000.

(d) The Minor Portion of the Bonds will be invested without regard to yield.

Section 2.7 Pertaining to Yields

(a) The purchase price of all Taxable Obligations to which restrictions apply under this Certificate as to investment yield or rebate of Excess Earnings, if any, has been and shall be calculated using (i) the price taking into account discount, premium and accrued interest, as applicable, actually paid or (ii) the fair market value if less than the price actually paid and if such Taxable Obligations were not purchased directly from the United States Treasury. The Issuer will acquire all such Taxable Obligations directly from the United States Treasury or in an arm's length transaction without regard to any amounts paid to reduce the yield on such Taxable Obligations. The Issuer will not pay or permit the payment of any amounts (other than to the United States) to reduce the yield on any Taxable Obligations. Obligations pledged to the payment of debt service on the Bonds, after they have been acquired by the Issuer will be treated as though they were acquired for their fair market value on the date of such pledge or deposit.

(b) Qualified guarantees have not been used in computing yield.

(c) The Bond Yield has been computed as not less than 1.899585 percent. This Bond Yield has been computed on the basis of a purchase price for the Bonds equal to the Issue Price.

ARTICLE III

REBATE

Section 3.1 Records

Sale Proceeds of the Bonds will be held and accounted for in the manner provided in the Resolution. The Issuer will maintain adequate records for funds created by the Resolution and this Certificate including all deposits, withdrawals, transfers from, transfers to, investments, reinvestments, sales, purchases, redemptions, liquidations and use of money or obligations until six years after the Final Bond Retirement Date.

Section 3.2 Rebate Fund

(a) In the Resolution, the Issuer has covenanted to pay to the United States the Rebate Amount, an amount equal to the Excess Earnings on the Gross Proceeds Funds, if any, at the times and in the manner required or permitted and subject to stated special rules and allowable exceptions.

(b) The Issuer may establish a fund pursuant to the Resolution and this Certificate which is herein referred to as the Rebate Fund. The Issuer will invest and expend amounts on deposit in the Rebate Fund in accordance with this Certificate.

(c) Moneys in the Rebate Fund shall be held by the Issuer or its designee and, subject to Sections 3.4, 3.5 and 6.1 hereof, shall be held for future payment to the United States as contemplated under the provisions of this Certificate and shall not constitute part of the trust estate held for the benefit of the owners of the Bonds or the Issuer.

(d) The Issuer will pay to the United States from legally available money of the Issuer (whether or not such available money is on deposit in any fund or account related to the Bonds) any amount which is required to be paid to the United States.

Section 3.3 Exceptions to Rebate

The Issuer reasonably expects that the Bonds are eligible for one or more exceptions from the arbitrage rebate rules set forth in the Regulations. If any Proceeds are ineligible, or become ineligible, for an exception to the arbitrage rebate rules, the Issuer will comply with the provisions of this Article III. A description of the applicable rebate exception(s) is as follows:

- \$5,000,000 Small Issuer Exception

The reasonably anticipated amount of tax-exempt bonds (other than private activity bonds) which will be issued by the Issuer and all subordinate entities of the Issuer during the calendar year will not exceed \$5,000,000.

- Six Month Exception

The Gross Proceeds of the Bonds are expected to be fully expended for the governmental purposes for which the Bonds were issued no later than six months after the date of issue. If contrary to the reasonable expectations of the Issuer, the Gross Proceeds are not expended within six months, the Issuer will comply with the arbitrage rebate requirements of the Code.

If the Issuer fails to meet the foregoing expenditure schedule, the Issuer shall comply with the arbitrage rebate requirements of the Code.

Section 3.4 Calculation of Rebate Amount

(a) As soon after each Computation Date as practicable, the Issuer shall, if necessary, calculate and determine the Excess Earnings on the Gross Proceeds Funds (the "Rebate Amount"). All calculations and determinations with respect to the Rebate Amount will be made on the basis of actual facts as of the Computation Date and reasonable expectations as to future events.

(b) If the Rebate Amount exceeds the amount currently on deposit in the Rebate Fund, the Issuer may deposit an amount in the Rebate Fund such that the balance in the Rebate Fund after such deposit equals the Rebate Amount. If the amount in the Rebate Fund exceeds the Rebate Amount, the Issuer may withdraw such excess amount provided that such withdrawal can be made from amounts originally transferred to the Rebate Fund and not from earnings thereon, which may not be transferred, and only if such withdrawal may be made without liquidating investments at a loss.

Section 3.5 Rebate Requirements and the Bond Fund

It is expected that the Bond Fund described in the Resolution and Section 2.6(c) of this Certificate will be treated as a bona fide debt service fund as defined in Regulation 1.148-1(b). As such, any amount earned during a Bond Year on the Bond Fund and amounts earned on such amounts, if allocated to the Bond Fund, will not be taken into account in calculating the Rebate Amount for the reasons outlined in Section 2.6(c) hereof. However, should the Bond Fund cease to be treated as a bona fide debt service fund, the Bond Fund will become subject to the rebate requirements set forth in Section 3.4 hereof.

Section 3.6 Investment of the Rebate Fund

(a) Immediately upon a transfer to the Rebate Fund, the Issuer may invest all amounts in the Rebate Fund not already invested and held in the Rebate Fund, to the extent possible, in (1) SLGS, such investments to be made at a yield of not more than one-eighth of one percent above the Bond Yield, (2) Tax Exempt Obligations, (3) direct obligations of the United States or (4) certificates of deposit of any bank or savings and loan association. All investments in the Rebate Fund shall be made to mature not later than the next Rebate Payment Date.

(b) If the Issuer invests in SLGS, the Issuer shall file timely subscription forms for such securities (if required). To the extent possible, amounts received from

maturing SLGS shall be reinvested immediately in zero yield SLGS maturing on or before the next Rebate Payment Date.

Section 3.7 Payment to the United States

(a) On each Rebate Payment Date, the Issuer will pay to the United States at least ninety percent (90%) of the Rebate Amount less a computation credit of \$1,000 per Bond Year for which the payment is made.

(b) The Issuer will pay to the United States not later than sixty (60) days after the Final Bond Retirement Date all the rebatable arbitrage as of such date and any income attributable to such rebatable arbitrage as described in Regulation 1.148-3(f)(2).

(c) If necessary, on each Rebate Payment Date, the Issuer will mail a check to the Internal Revenue Service Center, Ogden, UT 84201. Each payment shall be accompanied by a copy of Form 8038-T, Arbitrage Rebate, filed with respect to the Bonds or other information reporting form as is required to comply with the Code and applicable Regulations.

Section 3.8 Records

(a) The Issuer will keep and retain adequate records with respect to the Bonds, the Gross Proceeds Funds, the Bond Fund, and the Rebate Fund until six years after the Final Bond Retirement Date. Such records shall include descriptions of all calculations of amounts transferred to the Rebate Fund, if any, and descriptions of all calculations of amounts paid to the United States as required by this Certificate. Such records will also show all amounts earned on moneys invested in such funds, and the actual dates and amounts of all principal, interest and redemption premiums (if any) paid on the Bonds.

(b) Records relating to the investments in such Funds shall completely describe all transfers, deposits, disbursements and earnings including:

(1) a complete list of all investments and reinvestments of amounts in each such Fund including, if applicable, purchase price, purchase date, type of security, accrued interest paid, interest rate, dated date, principal amount, date of maturity, interest payment dates, date of liquidation, receipt upon liquidation, market value of such investment on the Final Bond Retirement Date if held by the Issuer on the Final Bond Retirement Date, and market value of the investment on the date pledged to the payment of the Bonds or the Closing Date if different from the purchase date.

(2) the amount and source of each payment to, and the amount, purpose and payee of each payment from, each such Fund.

Section 3.9 Additional Payments

The Issuer hereby agrees to pay to the United States from legally available money of the Issuer (whether or not such available money is on deposit in any fund or account related to the Bonds) any amount which is required to be paid to the United States, but which is not available in a fund related to the Bonds for transfer to the Rebate Fund or payment to the United States.

ARTICLE IV

INVESTMENT RESTRICTIONS

Section 4.1 Avoidance of Prohibited Payments

The Issuer will not enter into any transaction that reduces the amount required to be deposited into the Rebate Fund or paid to the United States because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Bond Yield not been relevant to either party. The Issuer will not invest or direct the investment of any funds in a manner which reduces an amount required to be paid to the United States because such transaction results in a small profit or larger loss than would have resulted if the transaction had been at arm's length and had the Bond Yield not been relevant to the Issuer. In particular, notwithstanding anything to the contrary contained herein or in the Resolution, the Issuer will not invest or direct the investment of any funds in a manner which would violate any provision of this Article IV.

Section 4.2 Market Price Requirement

(a) The Issuer will not purchase or direct the purchase of Taxable Obligations for more than the then available market price for such Taxable Obligations. The Issuer will not sell, liquidate or direct the sale or liquidation of Taxable Obligations for less than the then available market price.

(b) For purposes of this Certificate, United States Treasury obligations purchased directly from the United States Treasury will be deemed to be purchased at the market price.

Section 4.3 Investment in Certificates of Deposit

(a) Notwithstanding anything to the contrary contained herein or in the Resolution, the Issuer will invest or direct the investment of funds on deposit in the any Gross Proceeds Fund, the Bond Fund, and the Rebate Fund, in a certificate of deposit of a bank or savings bank which is permitted by law and by the Resolution only if the purchase price of such a certificate of deposit is treated as its fair market value on the purchase date and if the yield on the certificate of deposit is not less than (1) the yield on reasonably comparable direct obligations of the United States; and (2) the highest yield that is published or posted by the provider to be currently available from the provider on reasonably comparable certificates of deposit offered to the public.

(b) The certificate of deposit described in paragraph 4.3(a) above must be executed by a dealer who maintains an active secondary market in comparable certificates of deposit and must be based on actual trades adjusted to reflect the size and term of that certificate of deposit and the stability and reputation of the bank or savings bank issuing the certificate of deposit.

Section 4.4 Investment Pursuant to Investment Contracts and Agreements

The Issuer will invest or direct the investment of funds on deposit in the Gross Proceeds Funds, the Bond Fund, and the Rebate Fund pursuant to an investment contract (including a repurchase agreement) only if all of the following requirements are satisfied:

(a) The Issuer makes a bona fide solicitation for the purchase of the investment. A bona fide solicitation is a solicitation that satisfies all of the following requirements:

(1) The bid specifications are in writing and are timely forwarded to potential providers.

(2) The bid specifications include all material terms of the bid. A term is material if it may directly or indirectly affect the yield or the cost of the investment.

(3) The bid specifications include a statement notifying potential providers that submission of a bid is a representation that the potential provider did not consult with any other potential provider about its bid, that the bid was determined without regard to any other formal or informal agreement that the potential provider has with the issuer or any other person (whether or not in connection with the Bonds), and that the bid is not being submitted solely as a courtesy to the issuer or any other person for purposes of satisfying the requirements of paragraph (d)(6)(iii)(B)(1) or (2) of Section 1.148-5 of the Regulations.

(4) The terms of the bid specifications are commercially reasonable. A term is commercially reasonable if there is a legitimate business purpose for the term other than to increase the purchase price or reduce the yield of the investment.

(5) For purchases of guaranteed investment contracts only, the terms of the solicitation take into account the Issuer's reasonably expected deposit and drawdown schedule for the amounts to be invested.

(6) All potential providers have an equal opportunity to bid and no potential provider is given the opportunity to review other bids (i.e., a last look) before providing a bid.

(7) At least three reasonably competitive providers are solicited for bids. A reasonably competitive provider is a provider that has an established

industry reputation as a competitive provider of the type of investments being purchased.

(b) The bids received by the Issuer meet all of the following requirements:

(1) The Issuer receives at least three bids from providers that the Issuer solicited under a bona fide solicitation meeting the requirements of paragraph (d)(6)(iii)(A) of Section 1.148-5 of the Regulations and that do not have a material financial interest in the issue. A lead underwriter in a negotiated underwriting transaction is deemed to have a material financial interest in the issue until 15 days after the issue date of the issue. In addition, any entity acting as a financial advisor with respect to the purchase of the investment at the time the bid specifications are forwarded to potential providers has a material financial interest in the issue. A provider that is a related party to a provider that has a material financial interest in the issue is deemed to have a material financial interest in the issue.

(2) At least one of the three bids described in paragraph (d)(6)(iii)(B)(1) of Section 1.148-5 of the Regulations is from a reasonably competitive provider, within the meaning of paragraph (d)(6)(iii)(A)(7) of Section 1.148-5 of the Regulations.

(3) If the Issuer uses an agent to conduct the bidding process, the agent did not bid to provide the investment.

(c) The winning bid meets the following requirements:

(1) Guaranteed investment contracts. If the investment is a guaranteed investment contract, the winning bid is the highest yielding bona fide bid (determined net of any broker's fees).

(2) Other investments. If the investment is not a guaranteed investment contract, the winning bid is the lowest cost bona fide bid (including any broker's fees).

(d) The provider of the investments or the obligor on the guaranteed investment contract certifies the administrative costs that it pays (or expects to pay, if any) to third parties in connection with supplying the investment.

(e) The Issuer will retain the following records with the bond documents until three years after the last outstanding bond is redeemed:

(1) For purchases of guaranteed investment contracts, a copy of the contract, and for purchases of investments other than guaranteed investment contracts, the purchase agreement or confirmation.

(2) The receipt or other record of the amount actually paid by the Issuer for the investments, including a record of any administrative costs paid by

the Issuer, and the certification under paragraph (d)(6)(iii)(D) of Section 1.148-5 of the Regulations.

(3) For each bid that is submitted, the name of the person and entity submitting the bid, the time and date of the bid, and the bid results.

(4) The bid solicitation form and, if the terms of the purchase agreement or the guaranteed investment contract deviated from the bid solicitation form or a submitted bid is modified, a brief statement explaining the deviation and stating the purpose for the deviation.

(5) For purchases of investments other than guaranteed investment contracts, the cost of the most efficient portfolio of State and Local Government Series Securities, determined at the time that the bids were required to be submitted pursuant to the terms of the bid specifications.

Section 4.5 Records

The Issuer will maintain records of all purchases, sales, liquidations, investments, reinvestments, redemptions, disbursements, deposits, and transfers of amounts on deposit.

Section 4.6 Investments to be Legal

All investments required to be made pursuant to this Certificate shall be made to the extent permitted by law. In the event that any such investment is determined to be ultra vires, it shall be liquidated and the proceeds thereof shall be invested in a legal investment, provided that prior to reinvesting such proceeds, the Issuer shall obtain an opinion of Bond Counsel to the effect that such reinvestment will not cause the Bonds to become arbitrage bonds under Sections 103, 148, 149, or any other applicable provision of the Code.

ARTICLE V

GENERAL COVENANTS

The Issuer hereby covenants to perform all acts within its power necessary to ensure that the reasonable expectations set forth in Article II hereof will be realized. The Issuer reasonably expects to comply with all covenants contained in this Certificate.

ARTICLE VI

AMENDMENTS AND ADDITIONAL AGREEMENTS

Section 6.1 Opinion of Bond Counsel; Amendments

The various provisions of this Certificate need not be observed and this Certificate may be amended or supplemented at any time by the Issuer if the Issuer receives an opinion or opinions of Bond Counsel that the failure to comply with such provisions will not cause any of the Bonds to become "arbitrage bonds" under the Code and that the terms of such amendment or

supplement will not cause any of the Bonds to become "arbitrage bonds" under the Code, or otherwise cause interest on any of the Bonds to become includable in gross income for federal income tax purposes.

Section 6.2 Additional Covenants, Agreements

The Issuer hereby covenants to make, execute and enter into (and to take such actions, if any, as may be necessary to enable it to do so) such agreements as may be necessary to comply with any changes in law or regulations in order to preserve the tax-exempt status of the Bonds to the extent that it may lawfully do so. The Issuer further covenants (1) to impose such limitations on the investment or use of moneys or investments related to the Bonds, (2) to make such payments to the United States Treasury, (3) to maintain such records, (4) to perform such calculations, and (5) to perform such other lawful acts as may be necessary to preserve the tax-exempt status of the Bonds.

Section 6.3 Internal Revenue Service Audits

The Internal Revenue Service has not audited the Issuer regarding any obligations issued by or on behalf of the Issuer. To the best knowledge of the Issuer, no such obligations of the Issuer are currently under examination by the Internal Revenue Service.

Section 6.4 Amendments

Except as otherwise provided in Section 6.1 hereof, all the rights, powers, duties and obligations of the Issuer shall be irrevocable and binding upon the Issuer and shall not be subject to amendment or modification by the Issuer.

ARTICLE VII

QUALIFIED TAX EXEMPT OBLIGATIONS

The Issuer, a "qualified small issuer," designates the Bonds as "qualified tax exempt obligations" as defined in Code Section 265(b)(3) and represents that the reasonably anticipated amount of tax-exempt governmental and qualified 501(c)(3) obligations (including for this purpose tax exempt installment sales, lease or lease purchase agreements or other tax exempt obligations) which will be issued during the current calendar year will not exceed ten million dollars (\$10,000,000).

In support of the foregoing, the Issuer states:

(a) In the current calendar year the Issuer has issued governmental or qualified 501(c)(3) obligations as follows:

\$870,000 General Obligation Refunding Capital Loan Notes, Series 2020, dated September 24, 2020. (Issue covered by this Certificate).

\$1,140,000 General Obligation Capital Loan Notes, Series 2020, dated June 5, 2020.
