- Special thanks to pool manager, Abby Weddle, along with her staff who worked very hard to make the pool a safe and fun place to be this summer.

Park News~

- Thank you to Jill Bejarno, Nicole Waller, and Darla MacConnell for running the skating rink this year. It was very much enjoyed!
- Thank you and keep up the good work to all who maintain the flower beds at the city and park signs and recreation trail: Brenda & Ed Anderson, Mike Baker, Bob King, Beta Sigma Phi Sorority, Tall Dog Bike Club, April Scrivner, Jackie Deaver, the Rauschenberg family, and Mary Werch.
- We will continue to hard surface the trail at the Burnett Complex. We plan to go east from where it currently stops to the walkway between the schools. We will also be doing an ADA hard surface parking stall with walk-way to the trail.

Storm siren testing will continue the first Saturday of each month until November.

PLEASE check the DC Website for the FACTS on this issue: <u>https://www.dallascenter.com/home/news/new-poolnews</u>.
- The Fire Department would like to remind all homeowners of the importance of having your house number clearly visible in case you ever have an emergency. If you don't have a house number posted on the outside of your house, please do so.

Compliance Reminder

- The Code Enforcement Officer is giving notices on grass, weeds, junk, junk vehicles, and unlicensed vehicles and other items blocking alleys.
- Please take the time to look around your property and clean up these items and finish those building projects that you have been working on.
- We greatly appreciate your cooperation in keeping our town looking beautiful!

Are you working on a home improvement project?

- Don't forget to obtain your building permit <u>before you start</u>! Permits are required for additions, sheds, decks, sidewalks, drive-ways, fences, egress windows, remodeling, electrical upgrades, etc. – just about anything that requires tools and sweat!
- Fences are required around a swimming pool deeper than 24 inches.
- Be sure to allow approximately five days for processing the permit. If you have any questions as to whether or not you need a building permit, call City Hall at 992-3725 or check the website at <u>www.dallascenter.com.</u>
- Don't forget Iowa One Call at 811 or (1-800-292-8989) before you dig!

Do you know where the water shut off valve is inside your house? If you don't, you should find it. Then, "exercise" the valve (turn it off and on). If it does not work, call your friendly neighborhood plumber and get it fixed. At some time, you may be glad you did!

Reminder to all pet owners: when walking your pet through our community or in one of our beautiful parks you need to clean up after it. We have Doggie Waste Stations in Memorial and Mound Parks equipped with waste bags for your convenience. Thank you to those that already pick up after your pets. It's very much appreciated.
